# EAST SURREY DOMESTIC ABUSE SERVICES

East Surrey Domestic Abuse Services (ESDAS) is an independent charity providing specialist Outreach Services, Independent Domestic Violence Advisor support, counselling, a holistic programme of group work and other associated services to survivors of domestic abuse and their children in the borough of Reigate & Banstead and the districts of Mole Valley and Tandridge.

Our charity was created in partnership with survivors and the local community in response to the injustice many adult and child survivors experienced particularly in having to flee their homes to escape abuse and therefore losing their support networks.

ESDAS takes a strengths-based, needs-led, trauma-informed approach for supporting survivors to build resilience and foster independence. Many of our staff, volunteers and trustee team are experts by experience and all are driven by the belief that abuse is not and should not be accepted as inevitable.

Founded in 1993, ESDAS has a proven track record of delivering high quality life-saving services to survivors and our work has achieved both local and national recognition including:

- **2022** Women's Aid Federation England National Quality Standards Stage 1 accreditation
- **2019** Winners of the Glaxo Smith-Kline IMPACT Award
- **2019** ESDAS Chief Executive Officer awarded an MBE for her services to survivors of domestic abuse
- **2017** National pilot for Women's Aid "Change That Lasts" programme
- **2016** Chosen as key partner in a national "Transforming Women's Justice" project to address the systemic criminalisation of women
- **2014** Appointed Lead Provider of a partnership of specialist domestic abuse charities across Surrey
- **2005** Awarded the Queens Award for Voluntary Service in the Community, the highest award granted to voluntary organisations

### Survivor comments:

“Thank you so much you have given me so much knowledge, strength and support. This is the start of a new way of thinking and living my life”

“I just wanted to tell you how grateful I am to have had you put in my path. I know this is your job, but I do feel you go above and beyond for me. You will always be an angel in my eyes. I’ll never be able to express how much you helped me and continue to do so”.

“It was mental torture but ESDAS never gave up on me and gave me emotional support offering genuine encouragement, reassurance and compassion”
